Benefit from daily servicing to ensure a comfortable and pristine environment

About us

Nestled in the picturesque landscapes of the Western Cape's Overberg region lies a hidden gem, Melozhori Private Game Reserve. Far from the bustling crowds, this sanctuary offers a tranquil escape into the heart of nature, where serenity reigns supreme.

On Request

Available upon request are helicopter or small aircraft transfers, as well as shuttle services to and from Cape Town International Airport

Additionally, we provide laundry services for our guests, available at an extra fee.

Individual massages are available upon request. Please note that appointments must be booked well in advance as we arrange for a traveling therapist, and availability is subject to her schedule.

ACTIVITIES ON THE RESERVE

There's much more to enjoy on the reserve beyond relaxing, reading, and swimming. Explore a variety of activities, including:

- Game Drives
- Nature Walks
- Star Gazing
- Bird Watching
- Fishing
- Cycling (Bring your own)

Our Reserve

Nestled in the Overberg region of the Western Cape, our private game reserve boasts a rich diversity of wildlife, featuring 129 bird species and 38 mammal species. This serene haven offers a unique opportunity to connect intimately with nature amidst stunning landscape

THE MAIN LODGE

With its beautiful interior finishes, our exclusive-use lodge overlooks a fishing-permitted dam and boasts stunning views of spectacular landscapes, fostering an intimate connection with nature. Families are warmly invited to join all activities, as the lodge is child-friendly. Additional amenities include a hot tub, heated rim-flow swimming pool, pizza oven, and a cozy built-in fireplace, ensuring a memorable and comfortable retreat.

OUR ROOMS

Our main lodge features four luxurious en suite bedrooms, each boasting a built-in fireplace and en suite bathrooms. Each room opens onto its own deck equipped with stargazing hammocks. Guests can indulge in a Nespresso coffee machine, enjoy air conditioning, and revel in underfloor heating in the bathrooms. Eco-friendly amenities, WiFi access, and smart TVs complete the thoughtful offerings, ensuring a comfortable and sustainable stay
